Name of Sentencing Judicial Officer: Honorable Anthony A. Alaimo
                                         Judge, U.S. District Court

Date of Original Sentence: November 25, 1998

Original Offense: Distribution of crack cocaine

Original Sentence: 140 months imprisonment; 5 years supervised release

Type of Supervision: Supervised Release

Date Supervision Commenced: February 2, 2006

Assistant U.S. Attorney: Frederick W. Kramer, III

Defense Attorney: Kevin Gough

PETITIONING THE COURT

[ ]   To extend the term of supervision for years, for a total term of years.
[X]   To modify the conditions of supervision as follows:

The defendant shall complete 40 hours of community service at a rate of 10 hours per month beginning
October 2006.

CAUSE

On August 25, 2006, Cooper submitted a urine specimen that field tested positive for cocaine. The sample
was forwarded to STL Laboratories and was confirmed positive for cocaine on September 1, 2006. Upon
being presented with the positive result, Cooper denied any use of cocaine and he also denied the need for
treatment. However, Cooper did admit that he was recently at a poolroom where individuals were smoking
marihuana laced with cocaine.

This is Cooper's first positive drug screen since commencing supervision. Cooper is not being referred to
outpatient drug treatment since he does not appear to be amenable to participating in a program. More
frequent urinalyses will be conducted to monitor to his drug use and if he tests positive again, a request will
be submitted to the Court to order Cooper's participation in outpatient substance abuse treatment. However,
U.S. Probation respectfully recommends the Court impose this modification as a sanction for Cooper's
failure to refrain from any unlawful use of a controlled substance.
